COURSE DESCRIPTION

Students will learn more than a dozen beadwork techniques that can be used to finish the edges of a needlework projects. These techniques include incorporating beads with the buttonhole stitch, whipped stitch, picots, scallops, netting, brickstitch, and small fringes. Samples will be worked on a small piece of vinyl canvas and mounted on a labeled notebook page.

Carolyn Sherman of Colorado Springs, Colorado, has taught beading and clothing embellishment techniques at many needlework seminars and quilting conferences. These include *International Quilt Festival* in Houston, TX and *The Bead and Button Show* in Milwaukee, WI. She has taught at eight EGA and ANG national seminars as well as numerous EGA region seminars. Carolyn was inducted into the Colorado Quilting Council's Hall of Fame in 1991, and received the EGA Rocky Mountain Region "Educators' Award for Excellence" in 2001. Her quilted landscape of Garden of the Gods was pictured on the back cover of the September 1995 issue of *Needle Arts* and she was the "Designer Across America" in the summer 2000 issue. Her current love is designing and teaching beaded boxes and dimensional jewelry.
