

### **106 Garden Party Bracelet**

Technique is Beading

Kit cost is \$75.00

Student Level: Advanced intermediate

Teacher: *Carolyn Sherman*

Students will stitch a colorful bracelet that will be the hit at any party. A checked background of black and white seed beads will be made in herringbone stitch. Three dimensional flowers, peyote stitch leaves and several delightful fringes will be stitched and sewn to the background. One flower will be made from spiraled netting, one from coiled loops and one from herringbone petals and bead embroidery. This is an excellent class for experienced beaders to experiment with some unique detached techniques.
