

102 Photo to Stitch

Technique Design

Kit Cost is \$60.00

Student Level: All levels

Teacher: *Susan Goodman*

Do you enjoy taking photographs? This class is the step by step process of taking photos, scanning them into a computer and transferring them to canvas for stitching. Class will pay a morning visit to the Denver Botanic Gardens to photograph the floral settings, including the Monet lily pond, southwestern themed arid gardens and the wonderful rose gardens. In class photographs will be transferred to the computer where they will be culled, edited and printed on transfer paper. The photos will be ironed to congress cloth. Stitching will begin with teacher guidance and stitch suggestions. Student is responsible for transportation to the Denver Botanic Gardens. The student will be working with 8x10 stretcher bars for the finished design.
