

### **108 White Christmas & Oliver Twist**

Technique is Japanese Temari

Kit cost is \$40.00

Student Level: Beginner

Teacher: *Barbara Suess*

This two-day workshop will introduce the ancient craft of Japanese temari to embroiderers who have never made one and are eager for a challenge. Basic techniques include how to make and mark the ball and complete the embroidery for two different temari. Oliver Twist, our first temari, is a simple 4-division filled with swirls. White Christmas is a simple 10-division ball made using the unique kiku herringbone design and stitched with fun fibers from Rainbow Gallery.
